

BBI 2021

Immune mediated diseases

13. October 2021 - morning

- 9:00 Registration and Welcome
- 9:30 Presentation of the seminar
Reinhard Voll, Freiburg **Anne-Sophie Korganow**, Strasbourg
- 9:35-13:00 Paradigm in immune dysregulation**
- Chairs: **Reinhard Voll**, Freiburg **Anne-Sophie Korganow**, Strasbourg
- 09:35 – 10:05 B cell tolerance
Pauline Soulas Sprauel, Strasbourg
- 10:05 – 10:30 Autophagy and autoimmunity
Frederic Gros, Strasbourg
- 12:30 – 13:00 Molecular mimicry – viruses and autoimmune diseases
Vincent Gies, Strasbourg
- 11:00 – 11:30 Coffee break**
- 11:30 – 12:00 RA: clinical perspective
Philippe Mertz, Strasbourg
- 12:00 – 12:30 RA: immunology and basic research perspective
Aurélien Guffroy Strasbourg
- 12:30 – 13:00 A new player: Extracellular matrix and autoimmune disease
Dimitra Kiritsi, Freiburg
- 13:00 – 14:30 Lunch**

13. October 2021 - afternoon

- 14:30 – 16:00 **Workshop**
Autoantibody mediated diseases
- 16:00 – 17:45 **Workshop**
Animal Models in immune dysregulation
- 18:00 Social Program and Dinner**

14. October 2021 - morning

9:30-12:45 Immune mediated diseases: clinical and immunological aspects
Chairs: **Pauline Soulas-Sprauel**, Strasbourg; **Andreas Schwarting**, Mainz

09:30 – 10:00 CNS inflammation
Kathrin Kiedorf, Freiburg

10:00 – 10:30 Self-reactive T cell responses
Fanny Monneaux, Strasbourg

10:30 – 11:00 Coffee break

11:00 – 11:30 COVID-19 and T cells
Maike Hofmann, Freiburg

11:30 – 12:00 COVID19 in patients treated with immune suppression- perspective from the Rheumatology cohort/ Strasbourg CNR cohort
Reinhard Voll, Freiburg and **Renaud Felten**, Strasbourg

12:00 – 12:30 COVID19 and hyperinflammation
Anne Sophie Korganow, Strasbourg

12:45 Lunch

14. October 2021 - afternoon

14:00 – 15:15 **Workshop**
Translational research from bed to bench

15:15 – 16:30 **Workshop**
From bed to bench: basic research news

16:30 – 17:00 Coffee break

17:00 - 17:30 Sjogren Syndrome: clinical perspective
Stephanie Finzel, Freiburg

17:30 - 18:00 Sjogren Syndrome: from pathogenesis to new treatment strategies
Jacque Eric Gottenberg, Strasbourg

18:00 **Closing remarks and farewell**
Sophie Jung, Strasbourg and **Marta Rizzi**, Freiburg
